What this means in practice:

- Developing our neighbourhoods
- Working as one team
- Partnering for local benefit

Improving care, transforming lives

We will deliver high quality care through a focus on safe and effective systems and processes, and make sure that everyone has a positive experience in our care. We will work to improve people's health, to transform the lives and outcomes of the people of Bolton.

- Improving safety, effectiveness & experience
- Innovating & collaborating for the future
- Playing our part in improving health

A high performing, productive organisation

- Delivering financial sustainability

An organisation that's fit for the future

We will make sure that we have the right infrastructure and technology to allow our systems to work seamlessly, and our buildings enable us to provide the best care. We will look for opportunities to reduce the environmental impacts of the business we run.
